BACKGROUND

According to the Indian and Northern Affairs Canada Elementary/Secondary Education National Program Guidelines, Garden River First Nation receives funding to provide students living on-reserve.

The Garden River First Nation Education Unit, in accordance with Indian and Northern Affairs Canada (INAC), has developed these operating guidelines. The creation of this booklet is to provide the community with written procedures and policies followed by the Education Unit.

These G.R.F.N. Elementary Operating Guidelines will be in effect as of September 23rd, 2008. (Motion # 74)

DEFINITIONS

(I) **Elementary**: refers to all grades from Junior Kindergarten to Grade 8

(II) **Secondary**: refers to all grades at the high school level from grade 9 to 12

(III) **Ordinarily Resident On Reserve**: means that the student lives at a civic address on reserve, is a child in joint custody who lives on reserve most of the time, or is staying on reserve and has no usual home elsewhere. Students continue to be considered ordinarily resident on reserve if they return to live on reserve with their parents, guardians, or maintainers during the year, even if the student lives elsewhere.

(IV) **“Home Schools”**: as per the local school zones defined by the Huron Superior Catholic District School Board and the Algoma District School Board, Garden River First Nation’s (G.R.F.N.) school age children must attend one of our home schools in order to receive daily transportation. They are:

- St. Hubert Separate School
- East View Public School
- St. Mary’s French Immersion
- F.H. Clergue Public School
(V) **Eligibility**: is determined from a number of factors outlined in different authorities. The main criteria relates to age, attendance, program and services, residency and status.

(VI) **Status** is defined by INAC as:

(5.1) Registered Indians:

Indian children living on a reserve or Crown land.

Indian children not yet registered on the band membership list but whose parents are registered.

Reinstated children living on reserve or Crown land.

(VII) **Non Status** is defined by INAC as:

7.1 Non-Registered:

Other non-Indian (children of employees of other departments, both federal and provincial or of private agencies).

**A-F Category:**

a) Women of former Indian status who return to reserve due to death or desertion of husband, or for other good reason.

b) Non-Indian children of the above, either living with their mother or in care of friends or relatives, and living on reserve.

c) Non-Indian children of Indian mothers, either living with their mothers or in the care of friends or relatives, and living on a reserve.

d) Non-Indian children whose mothers became Indian by marriage and living on a reserve.

e) Non-Indian children legally adopted by Indian families and living on reserve or in Indian communities.

f) Other non-Indians living on reserve or in Indian communities for whom assistance (in the opinion of the Minister of Indian Affairs and Northern Development is justified)
First Nation Students

Registered with the Garden River Education Unit and are Status Registered Indians of Garden River or another First Nation. Proof and verification of Inuit membership will be recognized as a First Nation Student for services and sponsorship.

FUNDING

INAC provides funding for educational support and services for students at both the elementary level and the secondary level.

1.1 Nominal Roll

The Nominal Roll is a computerized information system which provides the mechanism for INAC to undertake an annual census of Indian students living on reserve and attending school, whose education is being funded by the Federal Government. Information provided on the Nominal Roll shall be supported by student records maintained by the school.

Under the INAC Elementary/Secondary Education Program National Guidelines, Garden River First Nation must demonstrate the eligibility of a student to be included on the Nominal Roll before being eligible for funding. To be eligible for the Nominal Roll, a student must be:

a. Enrolled in and attending a federal, a provincial, a band-operated or a private/independent school recognized by the province in which the school is located as an elementary/secondary institution; and,

b. Aged 4 to 21 years (or the age range eligible for elementary and secondary education support in the province of residence) on December 31 of the school year in which funding support is required, or a student outside of this age range who is currently funding by INAC for elementary and secondary education; and,

c. Ordinarily resident on reserve.

d. Status Registered Indian

e. Non-Registered

f. Inuit students on reserve or crown land.
1.2 **Ineligible Recipients**

a. A student who is ordinarily resident on reserve lands that are commercially leased is not eligible for funding unless the student is a Status Registered Indian.

Students who should not be placed on the Nominal Roll include non-native students who are resident on reserve but who are not eligible under Categories A-F. An example of such a situation would be children of non-Indians renting or leasing property on-reserve. These children are not eligible for inclusion on the Nominal Roll. Arrangements for tuition payments for attendance at provincial schools off reserve should be negotiated between the parents and the Board of Education or the parents and the First Nation.

b. Students who are enrolled in adult upgrading or non-accredited secondary level courses.

1.3 **Authorization for Release of Information**

It is **mandatory** that parents and/or guardians sign the G.R.F.N. *Authorization for Release of Information* Form in order to access educational services and/or financial support from Garden River First Nation. The signed release form will be in effect from the date of signature until the duration of the students Elementary and Secondary Education. It is necessary to provide the G.R.F.N. Liaison Workers with permission to visit, provide academic counseling, liaise or advocate for any student, consult with school personnel, access to student files which includes their Ontario Student Records, attendance records, progress reports etc... This ensures that funding will be provided to G.R.F.N. students to be enrolled at the Academic Institution within the operating guidelines.

The Elementary Liaison Worker will verify residency with the schools in order to receive sponsorship funding provided by INAC.
1.4 **Student Support Services**

All Status Registered Indians of Garden River First Nation and other First Nations are eligible for the following student support services:

a. Daily Transportation (Privilege);
b. Extra-Curricular Transportation (Pending Available Funding);
c. Guidance, academic counseling, referrals and school liaison services;
d. Special Transportation
e. Emergency Transportation
f. School Organized & School Activity Expenses
g. Graduation
h. Cultural Enrichment
i. School Supplies
j. Student Accident Insurance (Garden River Only)

Note: Details provided in the Elementary Education Section

1.5 **Student Tuition**

All tuition fees are paid directly to the Boards of Education for G.R.F.N. Nominal Roll approved students.

Garden River First Nation has two tuition agreements that were signed with:

i) The former Sault Ste. Marie Roman Catholic Separate School Board (now known as the Huron-Superior Catholic District School Board) on October 3rd, 1979, and

1.6 **Emergencies**

Contrary to INAC’s Elementary/Secondary Education Program National Guidelines, Garden River First Nation recognizes that emergency situations may arise that would require temporary off reserve residency.

Therefore, upon a written/verbal request and consultation with an assisting
Social Services agency, the residency of a student **can be off reserve for one of the following reasons:**

a. Protective services and  
b. Temporary Foster Care

During this time, consultation between the Social Service Agency and the Liaison Worker will determine eligibility for limited student support services. Dependent upon the permanency of these alternative living arrangements and duration, the student(s) may remain on the GRFN Student List for a maximum of 60 school days. Students must remain registered at the G.R.F.N. home school. Please note that daily, extra-curricular, and/or special transportation will not be financially covered during this time.

**ELEMENTARY EDUCATION**

2.1 **Student Accident Insurance**

GRFN will purchase the “Super Plan Plus” student accident insurance package for all eligible GRFN status students registered on or before September 30th of each school year. Schools distribute the Student Accident Insurance Policy brochure at the beginning of a school year. Please read the policy brochure carefully for the detailed explanation of coverages, conditions, limitations and exclusions.

To File a Claim: Parent(s)/guardian(s) are responsible to file a claim. Garden River is not responsible for filing claims. Please contact the insurance company directly at 1-800-463-KIDS.

2.2 **Daily Transportation**

Students on the nominal role will be eligible for daily transportation to and from the G.R.F.N. Home Schools. See Transportation Section for details outlining bussing procedures, rules of conduct, etc....

2.3 **Extra-Curricular Transportation**

If a student is involved in a school-sponsored event and is approved by the G.R.F.N. Education Unit transportation will be provided from the event to
their home visa versa and/or designated drop-off.

It is the responsibility of the school and/or the parent(s)/guardian(s) to inform the G.R.F.N Education Unit of pick-up and drop-off times and dates. The G.R.F.N. Education Unit will then inform Boissoneau Bus Lines Inc. of the details. Cancellations must be called in, as soon as possible, to either the Elementary Liaison Worker or Boissoneau Bus Lines, directly. Extra-Curricular pick-up times are no earlier than 4:45pm.

Extra-Curricular Transportation may cease during the school year pending available funding.

2.4 Special Transportation

Students who require Special Education Programs through the Identification Placement and Review Committee process are eligible for Special Transportation. Students registered in French Immersion Schools are considered Special Transportation.

2.5 Emergency Transportation

Emergency transportation will be provided upon written submission by your physician. The verification must indicate how long the transportation will be required. An example would be a broken ankle.

2.6 School Organized & School Activity Expenses

In order for Garden River First Nation to cover any educational activity expenses, the activity must be school-organized and sanctioned and approved by the Garden River Education Unit. The student/teacher/principal must submit a letter to the G.R.F.N. Education Unit one week in advance with all the details of the educational activity. Funding provided as follows:

THE PRINCIPAL:

3.4 SCHOOL BUS DISCIPLINE POLICY

Students who have the opportunity to ride school buses may do so as long as they display behaviour that is reasonable and safe. Choosing to follow unacceptable behaviour can result in loss of bus service. The bus driver is responsible for the safety and discipline of students on the bus. The school principal is available to give assistance to the driver and will determine consequences of misbehaviour and the reinstatement of bus service for the offending students. Should a suspension become necessary, it applies to all buses unless otherwise designated by school officials and the Garden River Education Unit. The responsibility for student supervision by the
School Board begins when the student boards the bus in the morning and is retained until the child leaves the bus at the end of the day.

**PLEASE NOTE:**
Any inappropriate behaviour, depending on circumstances and severity, could result in immediate suspension from the school bus. When the principal receives a Student Behaviour Report he/she will then notify both the student and parents/guardians. When a suspension is in order he/she will notify the student, parents/guardians, Liaison Worker and Bus Contractor.

### 3.5 BEHAVIOUR GUIDELINES AND CONSEQUENCES

#### OFFENCES
An offence is constituted by a written Garden River Transportation Student Behaviour Report submitted by a bus driver or bus aid to the appropriate school Principal. All Bus Contractor vehicles are equipped with Student Behaviour Report forms.

#### CONSEQUENCES
In case of misbehaviour, the bus driver or bus aid shall report such misbehaviour to the principal using the Student Behaviour Reports.

i) With the first occurrence, the bus driver or bus aid will report the incident to the principal of the school. The Principal shall provide a copy of the report to the parent and Garden River Education Unit.

ii) With the second occurrence, the bus driver or bus aid will report the incident to the principal of the school. The Principal shall provide a copy of the report to the parent and the Garden River Education Unit. Depending on the severity the Liaison Worker may visit the students home to address the misbehaviour with the parents.

iii) With the third occurrence, the bus driver or bus aid will report the incident to the principal of the school. The Principal will suspend the student from bus riding privileges for **THREE (3) SCHOOL DAYS**.
The parents and Garden River Education Unit will receive copies of the suspension. A suspension report will be submitted by the Principal to the Education Unit. The Education Unit may provide follow-up with home visits to address the misbehaviour.

AFTER THE STUDENT’S BUS RIDING PRIVILEGES HAVE BEEN RESTORED AND THE STUDENT CONTINUES TO MISBEHAVE THE ABOVE PROCEDURES WILL BE REPEATED IN SEQUENCE. HOWEVER, THE BUS RIDING SUSPENSION WILL BE **FIVE (5) SCHOOL DAYS.** SHOULD A THIRD BUS RIDING SUSPENSION BE NECESSARY, AFTER THE PROCEDURES HAVE BEEN REPEATED IN SEQUENCE, THEN THE SUSPENSION WILL BE FOR **TWENTY (20) DAYS.** FURTHER REPORTS MAY RESULT IN LOSS OF BUS PRIVILEGES FOR THE REMAINDER OF THE SCHOOL YEAR.

If a student is Suspended from Bus Privileges, it will be the Parents responsibility to transport the student to school at the cost of the Parent.
